

## Counseling Procedure

- Two counseling (One for All Categories, Second exclusively for reserved seats) shall be conducted by SCBH for the session 2007-08. However if need arises then SCBH shall go for third counseling.
- To avoid large scale sliding, 20% excess admissions institute & discipline wise shall be made. In the eventuality of any excess admission on this count, same shall be adjusted against NRI seats & 10% excess admissions under LEET in second year. The AICTE shall be informed about the strategy in advance.
- Internal sliding within the Institute shall be on-line after counseling by SCBH.
- Final counseling, if any, for the left over / vacant/ unfilled seats shall be done by the institutes at their own level in a transparent manner.
